**COMPLAINT**

COMES NOW Plaintiff, Memphis Housing Authority ("MHA"), and sues Defendants Zurich American Insurance Group, Inc. ("Zurich") and American Guarantee and Liability Insurance Company, Inc. ("AGLIC") for money damages.

This is an action at law to redress the harm caused to MHA by Defendants' breach of the terms and conditions of the contract, an "insured contract" insurance policy, and Defendants' continued bad faith in refusing to defend and pay claims under such insurance policy and contract without justification or cause. Plaintiff's causes of action, as set forth in this Complaint, arise under the common law and bad faith refusal to provide a defense and/or indemnity. All of the wrongs complained of against these Defendants occurred in Shelby County, Tennessee, within one year of discovery of Plaintiff's cause of action.

**PARTIES AND JURISDICTION**

1. Plaintiff, Memphis Housing Authority ("MHA") is a Tennessee public housing authority with its principal place of business located at 700 Adams, Memphis, Tennessee 38105.

principal place of business believed to be 1400 American Lane, Schaumburg, Illinois 60196. Zurich can be served with process through the Commission of Insurance, 500 James Robertson Parkway, Nashville, Tennessee 37243. Zurich is subject to jurisdiction of this Court pursuant to Tenn. 3. Upon information and belief, Defendant, American Guarantee and Liability Insurance Company, Inc. ("AGLIC"), is a New York insurance company doing business in the State of Tennessee with a principal place of business believed to be One Liberty Plaza, 165 Broadway, 32<sup>nd</sup> Floor, New York, New York 1006. AGLIC can be served with process through the Commission of Insurance, 500 James Robertson Parkway, Nashville, Tennessee 37243. AGLIC is subject to jurisdiction of this Court pursuant to Tenn. Code Ann. § 20-2-223. AGLIC can be served through the Tennessee Commissioner of Insurance. AGLIC provided coverage under the insurance policy at issue herein.

4. Upon information and belief, AGLIC is a fully owned subsidiary of Zurich and those entities will be referred collectively as "Zurich" herein.

5. Defendants herein owe a direct duty to defend and indemnify MHA based on Tennessee law that recognizes the duty of an insurer to defend and indemnify a party for which the insured has become contractually obligated to defend and indemnify.

#### **FACTS**

6. On or about November 1, 2001, MHA and Scruggs Security and Patrol, LLC ("Scruggs") entered into a contract ("the contract" attached hereto as Exhibit 1), wherein Scruggs agreed to provide security services for MHA's premises at 741 Adams Avenue, Memphis, Tennessee.

7. The contractual agreement between MHA and Scruggs contains an "insured contract" provision that requires Scruggs to name MHA as an additional insured on its insurance policy, maintained by Scruggs and provided by Zurich. The contract between MHA

and Scruggs states as follows:

8.2.2 Comprehensive General Liability Insurance, with limits of not less than \$1,000,000 for bodily injury and/or death arising out of any one occurrence and \$1,000,000 general aggregate. The limits of liability for property damage shall not be less than \$1,000,000 for each occurrence and \$1,000,000 in the aggregate. **The MHA shall be named as additional insured on the insurance policy.**

8.2.3 Personal Injury Liability Endorsement including libel, slander, etc., with a limit of liability of \$1,000,000, including removal of any exclusions pertaining to contractual liability and claims by the Service Provider's employees. **The MHA shall be named as additional insured on the insurance policy.** Tort Endorsement: The Insurer agrees that it shall not use, either in the adjustment of claims or in the defense of suits against the insured, the immunity of the insured from tort liability unless requested by the insured to interpose such defense.

8. The "insured contract" also requires that Scruggs indemnify and defend MHA in the above-referenced claim. The contract states:

8.9 The Service Provider shall **defend, indemnify and hold MHA harmless** from and against any and all losses, costs (including litigation costs and attorneys' fees), claims, suits, actions, damages, liabilities, and expenses ("Losses"), including, but not limited to, those in connection with loss of life, bodily and personal injury or damage to property, that are caused wholly or in part by (1) the service provider's breach of contract, whether the breach arises from its own actions or omissions, or that of the service provider's agents, including sub-consultants or employees, or (2) the service provider's negligent acts or omissions in connection with its performance of the contract. This indemnity is intended, inter alia, to afford MHA an indemnity against damages caused partly by the negligence of MHA, but shall not extend to damages caused solely by MHA's own negligence.

9. Scruggs maintained an insurance policy provided by Zurich and/or AGLIC which was in effect from July 16, 2001 to July 16, 2002. See policy between Zurich and/or AGLIC and Scruggs, attached as Exhibit 2. The policy between Zurich and/or AGLIC and Scruggs states:

9.a. "Insured contract" means:

(7) Subject to Subsection 9.b.(4), that part of any other contract or agreement pertaining to an insured's business under which an insured assumes the tort liability of another to pay damages because of "bodily injury," "property damage" or "personal injury" to a person or organization, if the contract or agreement was made prior to the "bodily injury," "property damage" or "personal injury." Tort liability means a

liability that would be imposed by law in the absence of any contract or agreement.

10. On February 18, 2003, Cheryl Brown Giggers, Charles G. Brown, Jr., Angela G. Brown and Joann Fisher, individually and as the surviving children of Charles Cornelius Brown, Sr. ("Plaintiffs Brown") filed suit against MHA in connection with a shooting involving an argument or disagreement between an agent of Scruggs and a tenant named, L.C. Miller.

11. Plaintiffs Brown, among other things, allege that the Scruggs Security guard on duty was negligent in performing his duties. Plaintiffs Brown allege that the Scruggs guard, among other negligent acts, escalated the incident and failed to prevent the harm from taking place. When the shooter (Miller) confronted the Scruggs armed guard, who he had a verbal altercation with moments before, the Scruggs guard ran and hid in a closet in the Residential Leasing Office, which was occupied by multiple innocent bystanders, including the decedent, Brown. In an attempt to shoot the Scruggs guard, with whom Mr. Miller had been arguing and was hiding in the Residential Leasing Office, the shooter shot and killed decedent Brown. See Recorded Statement of Darren Stewart, March 22, 2002, pg. 12-13, attached as Exhibit 3; Deposition of Darren Stewart, April 18, 2006, pg. 37, ln. 11, attached as Exhibit 4.

12. On the date in question, the contract between MHA and Scruggs quoted herein, and the contract between Scruggs and Zurich, were in full force and effect.

13. MHA first tendered the defense of this case to Zurich on April 2, 2002, only days after the incident which led to Mr. Brown's death. Zurich did not respond to this request. MHA has repeatedly tendered defense of this matter to Zurich and has repeatedly demanded indemnification from Zurich. Zurich, however, declined to defend MHA and did not respond to these tenders. See correspondence attached as Exhibit 5.

14. Zurich failed to live up to its obligation under the policy and the contract between Zurich and Scruggs (the "insured contract") despite numerous requests for same by MHA. Zurich did not provide defense or indemnification to MHA.

15. MHA requested on multiple occasions for Zurich to provide a copy of the insurance policy between Zurich and Scruggs that was in effect at the time of the underlying incident in order to determine if coverage existed.

16. On July 9, 2009, in response to multiple requests over a seven (7) year period to produce a copy of the insurance policy, Zurich provided a one-page declaration page which was intended to falsely imply that no coverage existed for MHA. *See* attached Exhibit 6.

17. On December 20, 2012, after further requests by MHA, Zurich produced yet another incomplete copy of the insurance policy which, again, was intended to falsely imply that no coverage existed for MHA. *See* attached Exhibit 7.

18. Upon further MHA requests, on March 1, 2013, Zurich produced more policy documents which revealed that coverage, in fact, did exist for MHA based on an "insured contract provision." *See* email attached as Exhibit 8 which states as follows: "Sorry Wes. The company sent the attached after I sent you the first set of policy documents and they never got sent to you. Let me know what questions remain after reviewing this. I believe the dec page and forms list were part of the original set of documents. Let me know if I am mistaken."

19. Zurich breached its fiduciary duty and acted in bad faith by not providing a defense and indemnification to MHA as required by the agreement and insurance policy. Further, Zurich attempted to deliberately conceal the existence of coverage by supplying only partial copies of the policy at issue, which falsely implied that coverage did not exist.

20. As a result of the wrongful actions by Defendants described herein, MHA has been harmed and has suffered damages including incurred attorneys' fees and adjusting fees. *See* attached Exhibit 9.

#### **CAUSES OF ACTION**

##### **COUNT I** **BREACH OF CONTRACT**

21. Paragraphs 1 through 20 are incorporated herein by reference.

22. The terms of policy between Zurich and Scruggs require Zurich to defend any suit and pay any damages that Scruggs becomes legally obligated to pay through an "insured contract."

23. The policy between Zurich and Scruggs requires Zurich to "pay those sums that the insured (Scruggs) becomes legally obligated to pay as 'damages' because of 'bodily injury' or 'property damage' caused by on occurrence that takes place during the policy period in the 'coverage territory,' or caused by errors or omissions related to 'security guard operations' that take place during the policy period in the 'coverage territory.' The policy further states that Zurich has the "right and duty to defend any 'suit' seeking those damages. This policy clearly provides coverage for all "insured contracts" which Scruggs entered.

24. Zurich breached the terms of its policy with Scruggs by failing to defend and/or indemnify MHA, with whom Scruggs had an "insured contract."

25. The policy between Zurich and Scruggs defines an "insured contract" as a "contract or agreement pertaining to the insured's business under which an insured assumes the tort liability of another to pay damages because of 'bodily injury,' 'property damage' or 'personal injury' to a person or organization, if the contract or agreement was made prior to the of 'bodily injury,' 'property damage' or 'personal injury.'"

26. MHA, as a third-party beneficiary to the policy between Zurich and Scruggs, has suffered damages as a result of Zurich's failure and refusal to defend and indemnify MHA.

27. Tennessee law allows MHA to proceed with a claim for damages suffered as a result of Zurich's refusal to defend and/or indemnify MHA in this matter. *York v. Vulcan Materials Co.*, 63 S.W.3d 384, 387 (Tenn. Ct. App. 2001); *see also "Agreements to Indemnify & General Liability Insurance: A Fifty State Survey,"* Weinberg Wheeler.

**COUNT II**  
**BAD FAITH REFUSAL TO DEFEND AND INDEMNIFY**

28. Paragraphs 1 through 27 are incorporated herein by reference.

29. Zurich, by its conduct, acted in bad faith by refusing to provide a defense and/or indemnification to MHA, and is liable to MHA for such damages described herein, including damages for attorneys' fees, expenses incurred in defense of this case, and any amount MHA pays in settlement of the underlying claim.

30. MHA was an additional insured under the terms of the contract between Scruggs and MHA. As such, Zurich had a contractual duty to defend claims against MHA.

31. Zurich failed to discharge its duty to act in good faith because it did not exercise ordinary care and diligence in investigating the claim and the extent of damage for which the insured may be held liable.

32. Tennessee law states that to deny a valid insurance claim without a factual basis and to subsequently misrepresent the reasons for the denial is bad faith. Zurich acted in bad faith by attempting to conceal the fact that coverage existed and that it was under a contractual duty to defend MHA. MHA tendered defense of the underlying claim to Zurich shortly after the incident giving rise to same occurred. Zurich ignored MHA's many tenders for seven (7) years before finally responding with a series of communications intended to falsely imply no coverage existed.

#### **PUNITIVE DAMAGES**

33. Paragraphs 1 through 32 are incorporated herein by reference.

34. Zurich's actions in attempting to conceal the fact that coverage existed under the policy between Zurich and Scruggs represents fraud and concealment making punitive damages proper in this case.

35. Plaintiff's claim for punitive damages is not based on Zurich's bad faith refusal to pay on the policy between Zurich and Scruggs. Rather, the claim for punitive damages is based on Zurich's active and repeated fraudulent attempts to conceal from MHA the fact that coverage existed. *See Medley v. A.W. Chesterton Co.*, 912 S.W.2d 748, 752-53 (Tenn. Ct. App. 1995).

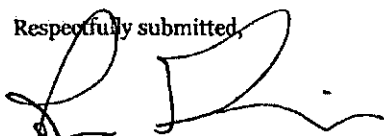

WHEREFORE, Plaintiff prays that after due proceedings, judgment be entered in its

favor against Zurich, as follows:

1. That there be judgment that coverage exists within the terms and conditions contained in the insurance policy at issue, and that Zurich breached the terms of the Policy and the contract by refusal to provide a defense and/or indemnification to MHA;
2. That Defendants be ordered to pay directly to MHA all benefits due under the terms and conditions of the insurance policy and the contract together with pre-judgment interest and post-judgment interest, as permitted by applicable law;
3. That Defendants be ordered to pay the bad faith penalties set forth in T.C.A. §56-7-106.
4. That Defendants be ordered to pay punitive damages in the amount to be set by a jury.
5. That Plaintiff be awarded reasonable attorneys' fees, costs and all other relief both general and specific, to which Plaintiff may be entitled; and
6. That a jury be empanelled to try the issues when joined.

Respectfully submitted,

- 1.2 Service Provider Not An Agent.** The Service Provider acknowledges that it is not an agent of MHA and has no authority to bind MHA in any way, unless authorization to act on MHA's behalf in carrying out specific tasks is hereafter specifically given to the Service Provider in writing, signed by the Executive Director. MHA hereby designates the Executive Director as its sole Authorized Representative for making any changes to this Contract, and for approving actions or commitments by MHA that may be recommended or suggested by the Service Provider in the course of its duties. MHA may add to or modify its designation of Authorized Representatives by written notice, signed by the Contracting Officer, and delivered to the Service Provider. - (b) the subcontractor is not in privity with MHA and shall not seek compensation directly from MHA under a theory of third-party beneficiary, quantum meruit, or unjust enrichment claim, or otherwise;
- (c) MHA is a third-party beneficiary of the subcontract, entitled to enforce any rights thereunder for its benefit;

- 1.8 Ownership and Confidentiality of Documents.**
- 1.8.1** All documents or data prepared or furnished by the Service Provider or its sub-consultants in the performance of the Contract shall become the property of MHA upon their preparation, subject only to MHA's obligation to pay the Service Provider amounts properly due to it under the Contract. The Service Provider shall promptly deliver such documents to MHA upon its written request, or promptly after termination of the Contract, and shall have no further rights of ownership of the documents, and no right to further employment or compensation arising from MHA's use of the documents.
- 1.8.2** The Service Provider agrees that the substantive content of all deliverables, reports and documents prepared or assembled by the Service Provider pursuant to the Contract is to remain confidential except to the extent released by MHA or HUD, in writing, and except to the extent that the information must be disclosed to sub-consultants to allow them to carry out work required by this Contract. However, all sub-consultant agreements must include language substantially similar to the confidentiality provisions of this Contract, requiring them to maintain the confidentiality of MHA's confidential information.

The essential purpose of the Contract is to outsource security services for MHA highrises, to a provider who shall act for MHA, subject only to consultation and approval by the Department Director, and who shall act in lieu of employees that would otherwise have to be hired by MHA to manage the Department's functions. The Service Provider shall be responsible for providing this type of technical assistance to the agency staff with regard to security services related issues. He/she shall be prepared to assess the situation, determine an appropriate course of action and make a recommendation to the staff.

#### ARTICLE 5 MBE/EQUAL OPPORTUNITY REQUIREMENTS

- 5.1 MBE/WBE Participation.** If the Service Provider is not a fifty-one percent (51%) minority- or woman-owned firm, it shall be required to participate in MHA's MBE/WBE Program. MHA encourages joint ventures between minority and non-minority firms.

TENCOSERVICESINC

008/029

Contract, the parties to the Contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

- 5.2.1 The Service Provider shall certify that any vacant employment positions, including training positions, that are filled after the Service Provider is selected but before the Service Provider's Contract is executed, with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, and were not filled to circumvent the contractor's obligations under 24 CFR part 135. Non-compliance with 24 CFR part 135 may result in sanctions, termination of the Contract for default, and debarment or suspension from future HUD-assisted contracts.
- 5.2.2 To the greatest extent feasible, the Service Provider shall encourage all contractors, sub-contractors and other contract awardees to utilize public housing residents first and then other lower income neighbors to fill new hiring needs for trainees and employees whenever the opportunity to do so arises during the execution of the Department's Projects. Only after a good faith effort is made to fill these positions (and other positions which may become available) shall the pertinent party, i.e., the Service Provider, contractor, subcontractor or other contract awardees, fill these positions with people outside the resident population. A minimum goal of twenty percent (20%) of new hires of the labor component of each contractor and sub-contractor's work force shall be constituted by the residents of the public housing development being treated or exterminated. The MHA may reduce this goal if provided with acceptable evidence that the minimum goal for public housing development residents is not feasible.
- 5.2.3 Additionally, the Service Provider and its contractors and subcontractors shall, to the greatest extent feasible, subcontract with businesses owned by the MHA residents or businesses whose work force is comprised of thirty-five percent (35%) or more of the MHA residents.
- 5.3 **Equal Employment Opportunity.** During the performance of this contract, the Service Provider shall comply with the following provisions:
- 5.3.1 The Service Provider or his/her sub-consultant or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, or sex. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of

including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Contracting Officer setting forth the provisions of this nondiscrimination clause.

- 5.3.2 The Service Provider or his/her sub-consultant or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Service Provider, state that all qualified applicants will receive consideration for employment without regard to age, race creed, color, national origin, ancestry, marital status, or sex.
- 5.3.3 The Service Provider or his/her sub-consultant or subcontractor, where applicable, will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency Contracting Officer, advising the labor union or workers' representative of the Service Provider's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

#### ARTICLE 6 AMENDMENTS TO SERVICE PROVIDER CONTRACT

- 6.1 **Changes Authorized.** MHA may, without invalidating the Contract, order changes in the work, including, without limitation, deletions from the scope of the Contract work, or modifications to the scope of the Contract work. Any such change must be conveyed by MHA via written amendment.
- 6.2 **Changes by Written Amendment Only.** All changes must be made by written Amendment, executed by the Director of MHA or his/her designee, and, if required by applicable Laws and procedures, by HUD as well.
- 6.3 **Additional Services.** The parties intend for this Agreement to cover security services necessary for the well being of residents of the highrises. However, MHA recognizes that unforeseen conditions or extraordinary circumstances outside the control of the Service Provider may require additional services not currently contemplated by the parties. Therefore, to the extent that such circumstances: (a) significantly increase the level of effort necessary to provide security (b) require a change to the scope of the services described in this Agreement to properly carry out the security services, such modifications shall be treated as Additional Services, and the parties shall negotiate an equitable adjustment to modify this Agreement accordingly. No Additional Services may be undertaken except pursuant to an Amendment issued in accordance with this

adjustment to modify this Agreement accordingly. No Additional Services may be undertaken except pursuant to an Amendment issued in accordance with this Article. If the Service Provider believes that a specified service is an Additional Service, entitling it to an Amendment, and MHA determines that the service is within the original scope of the Contract work, the Service Provider shall assert a claim, in accordance with the Claims and Disputes Article, and shall proceed with the disputed work without delay, in accordance with MHA's direction.

- 6.4 Amendment Procedure.** Any proposed Amendment shall be generated by the Service Provider and presented to the Department Director, or his/her designee for review and approval. The proposed Amendment shall describe clearly and specifically the particular identified needs to be met by the proposed services, and the work to be added to the Service Provider's Contract. The Service Provider shall present, with the proposed Amendment, a written proposal detailing the services to be provided, the schedule for delivery of those services, and the fee associated with those services, which shall be based on the hourly or unit rates set forth in the Service Provider's Proposal. The decision whether or not to issue an Amendment shall be made by the Contracting Officer, after negotiation and cost analysis pursuant to 24 CFR §85.36(f). If the Contracting Officer is satisfied that the proposed Amendment is justified, MHA shall issue a written Amendment modifying the Contract and authorizing the Service Provider to provide the additional services, and stating either an agreed lump sum, a maximum amount, or the hourly rate for those services. The Service Provider shall not proceed with any services prior to: (1) written authorization from MHA and, (2) if required by applicable Laws and procedures, approval by HUD.
- 6.5 Entitlement to Modifications in the Scheduled Completion Dates.** Subject to the condition precedent that the Service Provider have complied with the notice and documentation provisions of this Agreement, and subject to any other limitations stated in this Agreement, the Service Provider is entitled to an equitable extension of time to the extent that its work has been delayed because:
- 6.5.1** The Authority has changed, suspended or delayed the work, by Amendment or other action, or by failure to take a required action within the allowed time; or
- 6.5.2** The Service Provider's work is delayed for other reasons which are beyond its control and which could not reasonably have been anticipated as of the Contract's effective date.
- 6.6 Amendments to the Agreement.** The Service Provider is entitled to an Amendment modifying the Contract Term and the Contract Price if MHA issues any directive that adds to the services required of the Service Provider, extends the schedule for performance of the work, or if MHA, by its actions or omissions, suspends or delays the Service Provider's work for an unreasonable period and the

Service Provider demonstrates that the delay has increased its costs of performance. The Contract Term and Contract Price shall not be modified except by a written Amendment to this Agreement executed by both MHA and the Service Provider.

6.6.1 Additional Services performed within the term shall be priced using the hourly rates set forth in the bid, as long as they have been justified by MHA's analysis of appropriateness of scope, staffing allocation and overall cost.

6.7 **Notice/Documentation Requirements.** The Service Provider must notify MHA of any event, circumstance or action that it believes entitles it to a change in the Contract Price or to an extension of time, within thirty (30) business days after it knew or should have known of the event, circumstance or action. The notice must be in writing, identify the event, circumstance or action, and state, in as much detail as reasonably possible, the amount of the requested adjustment or the length of the requested time extension, together with an explanation of how the amount was calculated, and why an adjustment is justified. Failure to give the required notice or documentation within the allowed time shall constitute a waiver of the right to an Amendment for the claimed charge.

6.8 **Effect of Agreed Amendments.** If MHA and the Service Provider agree that a change has occurred, and the amount, if any, by which the Contract Price and/or the time to complete the contract should be modified, they shall include the terms of their agreement in an Amendment and both parties shall sign it, after which, it shall be binding upon both. The Service Provider and the MHA agree that any Amendment executed by MHA and the Service Provider constitute its and the MHA's full and final adjustment for all costs, delays, disruptions, inefficiencies, accelerations, schedule impacts, or other consequences arising from the change in question, whether prompted by the change, or from any claimed cumulative effect of changes made to the date of the Amendment, and that no further adjustments in compensation or time shall be sought or made with respect to the change.

6.9 **Failure to Agree.** If the Service Provider claims entitlement to an Amendment, and MHA responds, in writing, that it does not agree that any action or event has occurred to justify any change in time or compensation, the Service Provider shall nevertheless proceed with its Contract work, without interruption or delay, and shall make a claim as provided in Article 9 of the Agreement. Failure to proceed due to a dispute over a request for Amendment shall constitute a material breach of its Contract and entitle MHA to all available remedies for such breach, including, without limitation, termination for default.

## **ARTICLE 7 COMPENSATION**

**7.1 Contract Price.** The Service Provider shall be compensated for the security services rendered pursuant to the Contract at a guaranteed maximum price of one hundred ninety thousand, eight hundred forty-eight dollars (\$190,848.00).

**7.2 Modification of Compensation.** The Service Provider's compensation shall not be modified, except by a written Amendment which has been executed by MHA and, if approval is required by HUD, has been approved by HUD. The Service Provider acknowledges that the Contract Price shall constitute the Service Provider's full compensation of all costs, direct and indirect, incurred in carrying out the services contemplated by the Contract, and that no further compensation on account of costs or profit shall be due, other than for Additional Services pursuant to approved Amendments.

**7.3 Invoicing/Timing of Payment.** The Service Provider shall invoice for payment monthly on a time basis. Invoices shall be based on the actual man-hours worked during the month. Invoices shall be submitted on a date mutually acceptable to the Service Provider and MHA. Invoices shall be accompanied by documentation acceptable to MHA and in accordance with all applicable laws, regulations, requirements and guidelines of applicable governmental authorities. MHA need not make payment with respect to services that are not appropriately documented. Payment for properly invoiced and documented services shall be made within thirty (30) days of MHA's receipt of the invoice.

**7.4 Withholding of Payment.** MHA may withhold payments from the Service Provider if the Service Provider commits any substantial breach of the Contract and, as of the time of the payment request, has not cured that breach.

## **ARTICLE 8 INSURANCE, LIENS AND INDEMNITIES**

The limits of liability for property damage shall not be less than \$1,000,000.00 for each occurrence and \$1,000,000.00 in the aggregate. The MHA shall be named as additional insured on the insurance policy.
- 8.2.3** Personal Injury Liability Endorsement including libel, slander, etc., with a limit of liability of \$1,000,000.00, including removal of any exclusions pertaining to contractual liability and claims by the Service Provider's employees. The MHA shall be named as additional insured on the insurance policy. Tort Endorsement: The Insurer agrees that it shall not use, either in the adjustment of claims or in the defense of suits against the insured, the immunity of the insured from tort liability unless requested by the insured to interpose such defense.
- 8.2.4** Professional Liability insurance with minimum limits of liability of \$1,000,000.00 per claim and in the aggregate written on a "claims made basis". If there is some kind of deductible under any of the Professional Liability Insurance, the Service Provider shall have to submit evidence and guarantee of funds to cover said deductibles.
- 8.3 Deductibles.** Any deductible amount, under any of the policies, shall be assumed in whole by the Service Provider for any and all losses, claims, expenses, suits, damages, costs, demands or liabilities, joint and several of whatever kind and nature arising under this Agreement.
- 8.3 Specific Insurance Terms and Conditions.** Where applicable, each insurance policy maintained by the Service Provider must be endorsed as follows:

- 8.4.1 The MHA and its officers, agents and employees are named as additional insured (except Worker's Compensation, Professional Liability and Automobile Liability) but only with respect to liability arising out of services and/or operations performed for such insured by or on behalf of the name insured.
- 8.4.2 The insurer shall be required to give the MHA written notice at least thirty (30) days in advance of any cancellation or material change in any such policies.
- 8.4.3 The Service Provider shall furnish to the MHA prior to commencement of the work, certificates of insurance from insurers with a rating by the A.M. Best Co. of A and 5 or over on all policies, reflecting policies in force, and shall also provide certificates evidencing all renewals of such policies. Insurers shall retain an A.M. Best. rating of A and 5 or over on all policies throughout the term of this Agreement and all policy periods required herein. The insurance company must be authorized to do business in the State of Tennessee and be in good standing.
- 8.4.4 The required documentation must be received prior to the Service Provider commencing services. No Service Provider or its authorized representatives are to begin their responsibilities under this Agreement prior to full compliance with this requirement and notification from MHA to proceed.
- 8.5 **Failure to Provide Required Insurance.** If the Service Provider fails to obtain or maintain the required insurance, MHA shall have the right to treat such failure as a breach of contract and to exercise all appropriate rights and remedies, including Termination for Default.
- 8.6 **Additional Insured.** MHA and its board members, officer, employees and agents shall be named as additional insureds on the general liability policy, and the policy shall be endorsed to reflect that the coverage afforded the additional insured shall be primary to any other coverage available to them.
- 8.7 **Notification of Cancellation or Material Change.** All policies must be endorsed to reflect that they may not be canceled or materially changed by the insurer, and that the insurer may not refuse to renew the policies, except upon thirty (30) days written notice, by registered mail, to MHA Compliance Department.
- 8.8 **Evidence of Insurance Coverage.** Certificates of insurance evidencing the required coverage must reflect all endorsements described. The certificates of insurance must specifically reference the Contract and otherwise conform to MHA's reasonable requirements. The insurance requirements set forth herein, are

not intended and shall not be construed to modify, limit or reduce the indemnifications made in the Contract by the Service Provider to MHA.

8.8.1 Before beginning any work on the Project, and upon any reasonable demand thereafter, the Service Provider shall provide MHA with evidence that all required insurance is in force. Copies of the certificates of insurance must be submitted to MHA before work is begun and at least fifteen (15) days before each renewal date. Under no circumstances shall the Service Provider actually begin work (or continue work, in the case of renewal) without providing the required evidence of insurance.

8.8.2 MHA reserves the right to require the Service Provider to furnish certified copies of the original policies of all insurance required by the Contract at any time, upon five (5) days' prior written notice. MHA's receipt, without objection, of any certificate that fails to conform with the insurance requirements set forth in the Contract does not constitute MHA's agreement that the insurance requirements have been or may be modified.

8.9 Indemnity. The Service Provider shall defend, indemnify, and hold MHA harmless from and against any and all losses, costs (including litigation costs and attorneys' fees), claims, suits, actions, damages, liabilities, and expenses ("Losses"), including, but not limited to, those in connection with loss of life, bodily and personal injury or damage to property, that are caused wholly or in part by (1) the Service Provider's breach of the Contract, whether the breach arises from its own actions or omissions, or that of the Service Provider's agents, including sub-consultants or employees, or (2) the Service Provider's negligent acts or omissions in connection with its performance of the Contract. This indemnity is intended, inter alia, to afford MHA an indemnity against damages caused partly by the negligence of MHA, but shall not extend to damages caused solely by MHA's own negligence.

8.9.1 If a third party asserts any claim against the Service Provider, Service Provider shall promptly notify MHA, in writing. If Service Provider believes that the claim, whether justified or not, arises solely from the actions or omissions of MHA, rather than from the Service Provider's actions, omissions, or breaches, the Service Provider shall tender its defense of the claim to MHA. If MHA admits that the claim, whether justified or not, arises solely from its own actions or omissions, it shall accept the tender of defense, and the Service Provider shall thereafter cooperate fully with MHA in its handling of the defense. Otherwise, the Service Provider shall conduct its own defense. If it is ultimately determined by a court of competent jurisdiction or in binding arbitration, or is agreed between MHA and the Service Provider, that

the Losses associated with a claim arose solely from MHA's actions or omissions, MHA shall indemnify the Service Provider for all resulting Losses, including, without limitation, all reasonable attorneys' fees incurred in defending the claim.

#### **ARTICLE 9**

##### **TERM OF CONTRACT/TERMINATION**

- 9.1 Term of Contract.** The Service Provider's Contract shall extend for one (1) year from the Effective Date, or until the Contract is terminated in accordance with its terms, whichever first occurs, subject to extensions of time granted in accordance with Article 6 of this Agreement.
- 9.2 Termination for Default.** MHA may terminate the Contract for default if the Service Provider fails materially to perform any of its duties or obligations under the Contract.
- 9.2.1** In particular, but without limitation, MHA may terminate the Contract if:
- (a) The Service Provider fails to prosecute the work diligently and in accordance with the requirements of the Contract; or
  - (b) Becomes insolvent, makes an assignment for the benefit of creditors, files a voluntary petition under any chapter of the Bankruptcy Code or has an involuntary petition filed against it under any chapter of the Bankruptcy Code, or has a receiver appointed, or files for dissolution or otherwise is dissolved; or
  - (c) The Service Provider fails to pay its debts in a timely manner or becomes insolvent, or MHA reasonably determines that the Service Provider does not have the financial ability to carry out its obligations under the Contract and the Service Provider fails to give MHA prompt and reasonable assurances of its ability to perform; or
  - (d) The Service Provider violates any applicable laws or policies, procedures, or guidelines of MHA and/or HUD applicable to the Contract.
- 9.2.2** MHA must provide the Service Provider with written notice of its intent to terminate the Contract for default ten (10) business days before actually putting the termination into effect. If the Service Provider has begun its curative action and has made progress satisfactory to MHA within the ten business days, MHA may so notify

the Service Provider and the termination shall not take effect. Otherwise, the termination shall take effect after ten (10) business days without further notice or opportunity to cure.

9.2.3 If MHA terminates the Contract for default, it shall have the right, but not the duty, to accept assignment of some or all of the Service Provider's outstanding sub-consulting agreements, and the Service Provider shall insert provisions in each sub-consulting agreement stating that the sub-consultant consents to such assignment.

9.3 **Termination for Convenience.** The Authority may, upon thirty (30) days' written notice to the Service Provider, terminate the Contract, in whole or specified part, for its convenience. The notice of termination shall state the effective date of termination, the extent of the termination, and any specific instructions MHA may have for effecting an orderly termination.

9.3.1 After receiving notice of termination for convenience, the Service Provider shall (1) stop work on the terminated portion of its work as of the effective date of the termination, and stop placing subcontracts or other orders there under; (2) consult with MHA regarding the disposition of existing subcontracts, and use its best efforts to terminate them on terms favorable to MHA; (3) consult with MHA to decide what actions should be taken to mitigate the consequences of the termination to MHA's operations; (4) take necessary or directed actions to protect and preserve MHA's property in the Service Provider's possession in which MHA has or may acquire an interest and, as directed by the termination notice or other order from MHA, deliver the property to MHA; and (5) promptly deliver to MHA any Contract-related documents in its possession, as well as all computer files it has prepared relating to its work pursuant to the Contract.

9.3.2 The Service Provider shall be entitled to receive only reasonable payment for the work performed up to the date of termination. The Service Provider shall not be entitled to payment for or on account of profits on unperformed portions of the Contract work. If the Service Provider contends and substantiates costs incurred beyond the direct costs and overhead reflected in the contracted rate, the Service Provider may submit a claim for such expenses to MHA for payment. If MHA denies a claim by the Service Provider arising from termination for convenience by MHA, both parties expressly agree that participation in mediation as set forth in Article 10, Section 10.3, 10.4 shall be the course of action taken.

**9.3.3** Payment of such amounts shall be the Service Provider's sole remedy for termination for convenience.

**9.4** **Effect of Wrongful Default Termination.** If a termination for default is later determined to have been improperly effected, it shall be deemed to have been a termination for convenience and Paragraph 9.3 of this Agreement shall accordingly limit Service Provider's rights and remedies.

**9.5** **Continued Responsibility after Termination.** If the Service Provider is terminated, either for default or otherwise, the Service Provider shall remain responsible for inadequacies in all work performed to the date of the termination.

**ARTICLE 10  
CLAIMS AND DISPUTES**

- 10.1 Disputes Covered.** All disputes arising under or relating to this Contract, including any claims for damages for the alleged breach of the Contract, which are not disposed of by agreement, shall be resolved pursuant to this Article.
- 10.2 Initial Determination by MHA.** All claims by the Service Provider shall be made in writing and submitted to MHA. A claim against MHA by the Program Manager shall be subject to a written decision by the Authorized Representative designated in the Memorandum of Communication and Authority. MHA shall, with reasonable promptness, but in any case within sixty (60) days, render a decision concerning any claim hereunder. MHA's written decision shall become final and binding, and not subject to further challenge in arbitration, unless the Service Provider demands mediation in writing (1) within 30 days after receiving MHA's written decision on a claim, or (2) if MHA fails to render a decision within the allowed time, within 30 days after the allowed period for MHA's decision has passed.
- 10.3 Mandatory Mediation.** If the Service Provider is dissatisfied with MHA's decision on any claim it has asserted, or MHA fails to render a decision within the allowed time, the Service Provider may demand, in writing, that the parties submit the dispute to non-binding mediation pursuant to the then applicable rules of the American Arbitration Association. If MHA has a claim against the Service Provider, which has not been resolved by agreement within sixty (60) days of its first assertion, MHA may likewise demand mediation of the claim.
- 10.4 Arbitration.** If the parties have failed to resolve their dispute through mediation within 90 days after mediation is demanded, or within such additional time as the parties may agree, in writing, then either party may demand that the dispute be resolved by binding arbitration pursuant to the then applicable rules of the American Arbitration Association. The parties expressly agree that all claims or disputes arising pursuant to or in connection with the Contract, or its breach, shall be resolved by binding arbitration, and that judgment may be entered upon any award rendered by the arbitrator(s) by any court of competent jurisdiction. All arbitration hearings and conferences shall be conducted in Memphis, Tennessee. The Service Provider expressly agrees that, before any hearing is held, it shall, at MHA's request, make available for MHA's inspection and copying, any documents in its possession, custody or control that relate to the Contract which have not already been provided to MHA. Participation in mediation as specified in Paragraphs 10.3 is a condition precedent to arbitration.
- 10.5 Limitations.** The Service Provider may not bring any claim against MHA after receipt of final payment.

- 10.6 Duty to Continue Performance.** The Service Provider shall continue to perform its duties pursuant to the Contract, without delay, during the pendency of any claim or dispute, unless it has been terminated by MHA. Failure to proceed diligently in accordance with this provision shall be grounds for termination for default.

#### **ARTICLE 11 MISCELLANEOUS PROVISIONS**

- 11.1 Service Provider's Records.** The Service Provider shall maintain records of all work performed pursuant to the Contract, and the costs associated with that work, and make those records available to MHA, HUD, the Comptroller General of the United States, and their designated representatives, for review and audit at any time during the term of the Contract and for a period a five (5) years from the completion or other termination of the Contract.
- 11.2 Cooperation in Litigation.** The Service Provider shall advise MHA concerning any claim asserted by any design professional, contractor, construction manager, or other supplier of goods or services for the Department's Projects, and shall negotiate with the claimant to attempt to achieve a reasonable resolution of the claim. Negotiations shall be carried out in consultation with MHA and all proposed compromises or settlements shall be subject to its approval. If a claim is not amicably resolved, and proceeds to arbitration or litigation, the Service Provider shall, upon request, provide MHA's legal counsel with any documentation in its possession that is relevant to the claim, and shall make available for reasonable consultation with counsel those personnel with factual knowledge relevant to the claim. The Service Provider shall also make its personnel available for deposition or testimony at trial or arbitration hearings, without further compensation. However, if the Service Provider is required to perform additional analyses, other than those already prepared in the course of its duties, for use in arbitration or litigation, or for disputes resulting from contracts which the MHA executed prior to the date of this Agreement, it shall be entitled to an equitable adjustment of the Contract Price.
- 11.3 Conflict of Interest.** Pursuant to 24 CFR §85.36(b)(3), the Service Provider shall insure that it and persons working for it on this Project do not undertake any work for other individuals or institutions that places the Service Provider or MHA in an actual or potential conflict of interest position with any such entity. Upon learning of a situation that constitutes or appears to constitute an actual or potential conflict of interest, the Service Provider shall inform the MHA in writing of the situation. The MHA shall review the situation and notify the Service Provider in writing of the corrective action available to the Service Provider. The MHA may, at its sole discretion consent to or waive a conflict, but such consent or waiver must be issued in writing.

- 11.3.1 Based in part on federal regulations (24 C.F.R. 85.36(b) (3)), the MHA's Contract with HUD, no employee, officer, or agent of the MHA (HUD grantee) shall participate in the selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when (i) the employee, officer or agent; (ii) any member of his or her immediate family; (iii) his or her partner; or (iv) an organization that employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award.
- 11.3.2 The MHA's or the Service Provider's officers, employees or agents shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors, or parties to sub-contracts. To the extent permitted by Tennessee or local law or regulations, such standards or conduct shall provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the MHA's and the Service Provider's officers, employees, or agents or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.
- 11.3.3 Neither the MHA nor the Service Provider or any of its contractors or subcontractors shall enter into any contract, subcontract, or agreement, in connection with any project or any property included or planned to be included in any project, in which any member, officer, or employee of the MHA, or any member of the governing body of the locality in which the project is situated, or any member of the governing body of the locality in which the MHA was activated, or in any other public official of such locality or localities who exercises any responsibilities or functions with respect to the project during his/her tenure or for two years thereafter has any interest, direct or indirect. If any such present or former member, officer, or employee of the MHA, or any such governing body member or such other public official of such locality or localities involuntarily acquires or had acquired prior to the beginning of his/her tenure any such interest, and if such interest is immediately disclosed to the MHA and such disclosure is entered upon the minutes of the MHA, the MHA, with the prior approval of the Government, may waive the prohibition contained in this subsection. Provided, that any such present member, officer, or employee of the MHA shall not participate in any action by the MHA relating to such contract, subcontract, or arrangement.

member of the governing body of the locality in which the MHA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, during his/her tenure or for two years thereafter, shall have any interest, direct or indirect, in this Agreement or the proceeds thereof.

- 11.3.5 The Service Provider warrants that to the best of its knowledge and belief and except as otherwise disclosed, he or she does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this or any other contract with MHA and organizational, financial, contractual or other interest are such that (a) an award of the Contract may result in an unfair competitive advantage; or (b) the Service Provider's objectivity, in performing the contract Work may be impaired.
- 11.3.6 The Service Provider agrees that if after award it discovers organizational conflict of interest with respect to this Agreement, it shall make an immediate and full disclosure in writing to the MHA, which shall include a description of the action, which the Service Provider has taken or intends to take to eliminate or neutralize the conflict.
- 11.3.7 The MHA may, however, terminate the Agreement for the convenience of the MHA if it would be in the best interest of the MHA.
- 11.3.8 In the event the Service Provider was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the MHA, the MHA may terminate the Agreement for default.
- 11.3.9 The provisions of this clause shall be included in all subcontractor and consulting agreements resulting from the Project. The Service Provider shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.
- 11.3.10 No member of or Delegate to Congress or other city or state government official shall be admitted to any share or part of this Agreement or to any benefit that may arise there from.
- 11.3.11 No member, officer, or employee of the MHA, no member of the Tennessee Legislature, and no other public official of the Memphis or Tennessee Government shall, during his/her tenure, and for one year thereafter, have any interest, direct or indirect, in this Agreement or in any subcontract under this Agreement, or in the proceeds thereof.

11.3.12 Furthermore, the Service Provider represents that it is and shall remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. Subsection 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended.

**11.4 Use of MHA Property by Service Provider.** If the Contract prescribes that the Service Provider shall utilize MHA Property for the performance of the Contract, the property shall be described in a Property Itemization Memorandum prepared by the MHA and presented to the Service Provider. Title to all property furnished to the Service Provider shall remain with the MHA. Title to all property acquired by the Service Provider shall immediately vest in the MHA upon purchase. The Service Provider shall not purchase property for the MHA without prior written approval of the Director. The Service Provider is prohibited from disposing of any MHA Property.

The respective Per Occurrence and Annual Aggregate Limit of Liability amounts shown in Item 4 of the Declarations apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in Item 3 of the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Liability.

- f. If notice is mailed, proof of mailing will be sufficient proof of notice.
- g. If we offer to renew this policy on terms or premiums different from those in effect during the policy period, such offer will constitute cancellation or refusal to renew this policy.

##### 4. Legal Action Against Us

- a. Legal Action Brought by a Third Party against Us.

No third party has a right under this policy:

- (1) To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- (2) To sue us; however, a third party may sue us to recover on an agreed settlement or on a final judgement against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable Limit of Liability shown in the Declarations. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

- b. Legal Action Brought By An Insured Against Us.

Any controversy or dispute between an insured and us which arises out of or relates to an interpretation or breach of this policy will be settled by binding arbitration in accordance with the Rules of the American Arbitration Association. Arbitration shall take place in the State of New York, unless otherwise agreed by both the insured and us. The arbitration process will be governed by and conducted in accordance with the laws of the State of New York. Judgement upon the arbitration award rendered by the arbitrator(s) may be entered in any court having jurisdiction.

The terms of this policy are to be construed in an evenhanded fashion as between the insured and us in accordance with the laws of the State of New York.

Where the language of this policy is deemed to be ambiguous or otherwise unclear, the issue will be resolved in a manner most consistent with the relevant terms of this policy without regard to authorship of the language and without any presumption or arbitrary interpretation or construction in favor of either the insured or us. In reaching any decision, the arbitrator(s) will give due consideration to the customs and usages of the insurance industry.

In the event of a judgement entered against us on an arbitration award, we will submit, at the Named Insured's request, to the jurisdiction of any court of competent jurisdiction within the United States, and will comply with all requirements necessary to give such court jurisdiction and all matters arising hereunder shall be determined in accordance with the law and practice of such court.

Service of process in any suit against us must be mailed to: Claims Department, Zurich Insurance Company, 1400 American Lane, Schaumburg, Illinois 60196. In any suit instituted against us under this policy, we will abide by the final decision of such court of any appellate court in the event of an appeal.

#### 5. Other Insurance

If other valid and collectible insurance is available to an insured for a loss we cover under Coverage A or Coverage B, our obligations are limited as follows:

#### a. Primary Insurance.

This insurance is primary except when Subsection (5)(b) applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by method described in Subsection(5)(c).

#### b. Excess Insurance.

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

- (1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for an "insured's work";
- (2) That is Fire insurance for premises rented to you; or
- (3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion (g) of Coverage A (Section I).

When this insurance is excess, we will have no duty under Coverage A or Coverage B to defend any "claim" or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all such other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not brought specifically to apply in excess of the Limits of Liability shown in the Declarations.

#### c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of liability or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of liability to the total applicable limits of liability of all insurers.

**6. Premium Audit**

- a. All premiums for this policy will be based upon your payroll and will be computed in accordance with our rules and rates.
- b. We have the right to audit your payroll records at any time during the policy period but not more frequently than quarterly. You must send us copies of your payroll records at such times as we may request.
- c. Premium shown in Item 7 of the Declarations as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

**7. Representations**

By accepting this policy, you agree that:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

**8. Separation of Insureds**

Except with respect to the Limits of Liability and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom "claim" is made or "suit" is brought.

**9. Transfer of Rights of Recovery Against Others to Us**

If an insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

**10. Changes**

Notice to any agent or knowledge possessed by any agent or by any other person will not affect a waiver or a change in any part of this policy or prevent us from asserting any right under the terms of this policy.

The terms of this policy can be waived or changed only by endorsement issued by us to form part of this policy and signed by our authorized representative.

**11. Assignment**

Assignment of interest under this policy will not bind us until our consent is endorsed hereon.

**12. Conforming with Statute**

Any terms of this policy which are in conflict with the statutes of the state in which this policy is issued are hereby amended to conform with such statutes.

**13. Severability**

In the event that any provision of this policy is declared or deemed to be invalid or unenforceable under any applicable law, such invalidity or unenforceability will not affect the validity or enforceability of the remaining portion of this policy.

- (1) Products that are still in the insured's physical possession; or
- (2) Work that has not yet been completed or abandoned.

b. An "insured's work" will be deemed completed at the earliest of the following times:

- (2) When all of the work to be done at the site has been completed if the insured's contract calls for work at more than one site; or
- (3) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

- (2) The existence of tools, uninstalled equipment or abandoned or unused materials; or
- (3) Products or operations for which the classification in this policy or in our manual of rules includes products or completed operations.

A. Yes.

Q. By whom? Who do you work for?

A. Scruggs Security.

Q. And you are assigned to where?

A. Different posts throughout the day.

Q. Okay, this interview is in regard to an incident that you were involved in at, this was at an apartment building at 741 Adams in Memphis, Tennessee? Is that correct?

A. That is correct.

Q. And this happened on March 7, 2002?

A. Yes.

Q. Okay, what time of day?

A. Approximately 12 o'clock.

Q. Noon?

A. Yes.

Q. Okay, today's date is March 22<sup>nd</sup> of 2002, and before we start this, I just want to ask you if you do understand that we are recording this interview?

A. Yes.

Q. And we have your permission to record it?

A. Yes.

Q. Now, I need your full name, home address and phone number, please.

A. Darren Lamont Stewart. Phone number is 332-7581. Address is 750 East Raines, Apt. 4, 38106.

Q. And your age, please?

Mr. Darren Stewart

Page 12

13-0203-1048

March 22, 2002

Q. And exactly what did you say to him?

A. Exactly?

Q. As well as you can remember.

A. I approached and I asked him please don't you know yell at me. I'm only asking you not to walk across the floor.

Q. No, what's the first thing you said?

A. When I told him not to walk across the floor?

Q. Is that what you said, don't walk across the floor?

A. I said, "sir, please don't walk across the floor, she's waxing it".

Q. And he said what?

A. "Don't talk to me in that tone of voice, I'm grown and I can do what I want to do," something to that affect.

Q. Then what?

A. After that was over with . . .

Q. Now, the rest of this conversation?

A. Yeah, I'm uh well, he did walk you know away from where she was waxing and for the meanwhile, it was over with, now I'm getting to the point where he-he kind of bumped into me later on, I think about fifteen minutes later, and I said "excuse me", but I disregarded it as like you know, passing somebody and making incidental contact. I noticed the second time he tried to pass and make contact with me again.

Q. When you say "make contact", what do you mean?

A. He tried to bump up against me and that's when I knew he was trying, he must've tried to do it the first time. Uh, I told him at that point, I said, "well uh, you're looking for trouble, then fat meat is greasy, and you-you gonna find trouble if that's what you're looking for".

Q. What does that mean?

A. Well, what that means, ma'am, is that I'm security on 3

duty, and this guy is trying to push me around, and he's, he's basically looking for trouble. So, either I could write him up or either call MHA or somebody to come out and talk with this man or something, but shortly after that, he kind of laughed, laughed at what I said and went upstairs. I paid it no mind and I uh went to the restroom to wash up, I was expecting lunch, and when I came, when I came back down, when I came from the restroom, he was standing in the doorway in between the two elevator doors with a rifle and I knew then uh, we, we were going to have a problem, or had a problem.

Q. So the first encounter was at about 10:45, and that was about the floor?

A. Um, hum.

Q. Where was that, in the lobby?

A. Yes, ma'am.

Q. And he said he'd do whatever he wants?

A. Yes.

Q. And he did walk away?

A. Yes.

Q. Did he mention the floor again?

A. Um, no.

Q. You said he came back and bumped into you?

A. Um, hum.

Q. When was that?

A. That was maybe fifteen minutes later.

Q. And where were you then?

A. I was right in front of the front door, the main entrance to the lobby.

Q. And you didn't say anything about that?

A. Not the first time.

Vicki, it was nice talking to you today. This confirms my request that your client produce the entire liability insurance policy issued by Zurich and in effect at the time of the subject incident. This should include the actual coverage form, the declaration page, any additional insured endorsement, any exclusion for breach of contract and any exceptions to such exclusion, any coverage provision for contractual indemnification agreements which are part of an insured contract, and a complete forms list.

That's a mouthful. Let me know if Scruggs will agree to produce this informally, without the need for a request / motion to compel.

Take care,

Wes

## TO THE DEFENDANT:

NOTICE: Pursuant to Chapter 919 of the Public Acts of 1980, you are hereby given the following notice:

Tennessee law provides a four thousand dollar (\$4,000) personal property exemption from execution or seizure to satisfy a judgment. If a judgment should be entered against you in this action and you wish to claim property as exempt, you must file a written list, under oath, of the items you wish to claim as exempt with the Clerk of the Court. The list may be filed at any time and may be changed by you thereafter as necessary; however, unless it is filed before the judgment becomes final, it will not be effective as to any execution or garnishment issued prior to the filing of the list. Certain items are automatically exempt by law and do not need to be listed. These include items of necessary wearing apparel (clothing) for yourself and your family and trunks or other receptacles necessary to contain such apparel, family portraits, the family Bible and school books. Should any of these items be seized, you would have the right to recover them. If you do not understand your exemption right or how to exercise it, you may wish to seek the counsel of a lawyer.
